Simple Questions for Contractors, Remodelers, Builders and Specialty Trades

- Not sleeping well due to money issues and is it affecting your ability to do your job and have a life?
- Do you know whether you are buying rather than selling projects?
- Are you wasting time with people who will never buy from you? Need better leads?
- Are you wondering why other contractors are busy working and you are not?
- Are you constantly putting out production fires due to lack of an effective production process?
- Is your business ready to thrive as the economy turns around and work picks up?
